

— MULTIPURPOSE FILMS FOR STAINLESS STEEL

Grade	Thickness (µm/mils)	Adhesion	Outdoor resistance	Specific features
4233	70µm/2.8mils	Medium	6 months	Versatile solution for mechanical processes
3000	70µm/2.8mils	Medium	6 months	Versatile solution for mechanical processes Eco-responsible solution (Oxygen Vegetal)
3230	70µm/2.8mils	Medium	6 months	Versatile solution for mechanical processes Eco-responsible solution (Oxygen Lean)
4256	60µm/2.4mils	Medium - Low	3 months	Versatile solution, easy to peel
4410	60µm/2.4mils	Medium - Low	/	Versatile solution, easy to peel, blue transparent

All grades are black/white, except 4410 which is blue transparent.
